

A frame Standee

A Frame Android Mobile Stand Digital Signage

Introduction

To begin with, it is aesthetically pleasing, to the audience's eyes. It is very slim, ranging from 13mm to 35mm. It is easily portable, so it is very convenient to place it either indoors or outdoors as per the requirements. Digital Easel Stand comes in honey-combing packaging, the transportation of this element is rather easy & convenient to carry forward. With its android-based content management system, organizations can easily upload or delete content over the cloud from a centralized location.
